Nobles:

And now, it is back to labor from a summer's refreshment of vacations and the fun of the great out-of-doors which we enjoy so much during the summer season.

Perhaps not exactly back to labor, but at least back to a program of endeavor wherein we dissipate the regularity of working hours by introducing an element of surcease from the hum-drum hours of business and fraternize for the good of a better balance of our mode of living and doing.

Medinah's Pilgrimage to the Imperial Council Session in Seattle in July was a splendid, outstanding success. Those who went report a wonderful trip; a trip both entertaining and educational. Your officers and Representatives participated in the business Sessions of the Shrine and attended every meeting, and in doing so were "pepped up" and stimulated to such an extent that they propose to do all they can individually and collectively to foster and build up Medinah's membership.

They need your co-operation in getting petitions, and there are literally thousands in our Oasis who have the prerequisites to the Shrine, and you can help bring them in. Look around you, you will be surprised to find among your acquaintances many who are just waiting to be asked to petition Medinah.

At this Ceremonial we do honor to our Past Potentates and in honoring them we honor ourselves for faithful and true, they stand ever ready to counsel and aid—May each and every one of them live long and enjoy the hearty good wishes of their hosts of friends.

In this notice we have to advise of the visit of the Black Camel in our midst. One of our junior Past Potentates, Illustrious Noble William H. Bied was called for and taken away. While we regret his passing, we cannot but take heart in the fact that his was a life of giving—and he received much in lasting friendships from a host of men who knew his real worth.

This is harvest time and while we are garnering our winter needs, let us not forget the little kiddies over in the Shriners' Hospitals for Crippled Children. They need jams, jellies, pure foods of all kinds—candy and those nice little gifts any child fairly craves. If you are not sure of what to give, help replenish the Comfort Fund. You'll be happy in doing just a little.

Don't forget to come to this Ceremonial. You are wanted—COME!

Yours in the faith.

PAST POTENTATE

WILLIAM H. BIED

Born June 8th, 1864 Died August 30th, 1936

William H. Bied, one of the most widely known brethren in Masonic circles in the Chicago area, died Sunday, Aug. 30, at his home, 7139 Normal Blvd., after a short illness. Noble Bied was 72 years old and had been active in Masonic work for nearly forty years. The sudden news of his passing came with a shock to his countless friends and acquaintances, and his genial, courteous personality will be sadly missed by his sorrowing brethren.

He acquired membership in all of the varied rites of the craft, and to each he gave freely of his time, his talents and his fraternal enthusiasm. Honors and titles without number were showered upon him in recognition of his labors, and in practically all of the bodies to which he gave his allegiance he was called to fill the highest positions of trust and responsibility. Courteous, upright, kindly, tolerant and ever ready to help and assist others, he endeared himself to all with whom he came into contact.

Noble Bied was born in Springfield and received his education in that city. During recent years he had retired from active business. In civic life he served as a member of the public library board and two years ago was appointed a school trustee, a position he held at the time of his death. He is survived by his wife and a daughter.

His Masonic career began when he became a member of Woodlawn Park Lodge in February, 1899. He was Master of this lodge in 1904 and Secretary for three years. He received a commission as Grand Lecturer in 1904 and served as District Deputy Grand Master for nine years and as Grand Marshal of the Grand Lodge of Illinois for six years. He was a charter member of Jackson Park Chapter, R. A. M., and later became a charter member of Woodlawn Chapter, and was a member of Woodlawn Council. He received the Templar orders in Apollo Commandery, later becoming a charter member of Woodlawn Commandery.

Noble Bied received the Scottish Rite degrees in the spring class of 1900. He served as Thrice Potent Master of Van Rensselaer Lodge of Perfection in 1916 and 1917, as Commander-in-Chief of Oriental Consistory during 1930-31-32, and was crowned a Sovereign Grand Inspector General of the 33d degree in 1912.

He also held membership in the Royal Order of Scotland, in St. John's Conclave (Premied), Red Cross of Constantine, was a Past Venerable Chief of the Masonic Veterans' Association of Illinois, and Past Patron of Miriam Chapter, Eastern Star. In addition to the official positions he held in these bodies he found time to devote to such duties as head of the Consistory Visitation Committee, as trustee of the Illinois Masonic hospital and as president of the Woodlawn Masonic Temple Association. Truly a busy Masonic life.

Masonic services were conducted on Wednesday, Sept. 2, in the preceptory of the Scottish Rite quarters.

He served Medinah Temple as Potentate in 1934.
